MESSAGE FROM THE SUPERVISOR

Dear Resident:

Your consistent and continued participation in recycling is not only environmentally sound, it helps to defray refuse costs by keeping reusable material out of the waste stream. As a direct result of your vigilance, bulk metal collection on Wednesdays has enjoyed tremendous success, as has the recycling of cardboard.

In order to make it even more convenient for you to recycle, this 2009 calendar has been provided for you. Whether you are a new resident or have lived here for many years, this calendar will keep you informed as to what, how and when to place items out for collection. I encourage you to hang it in an accessible location, and to refer to it whenever necessary. If you have any questions about this or any other recycling project, please call the Office of Recycling, at 224-5640.

Once again, thanks for your assistance in recycling.

Very truly yours,

PHIL NOLAN
Supervisor
